

TEACHER LUNCHESES

We look forward to serving your teachers and staff. In an effort to be as organized as possible, we ask that you comply with the following instructions for ordering the discounted teacher/staff lunches. If you have any questions, please do not hesitate to reach out to us.

- Please distribute the teacher/staff lunch order forms at least 4-business days before the lunch delivery date (page 3 in this packet).
- Set a hard deadline and collect the teacher/staff lunch order forms at least 2-business days before the lunch delivery date.
- Organize the payment for the order. The team member that will be making the delivery will not be equipped to make change. We will only accept one check. If you are writing a school check, please make it out payable to Chick-fil-A Union Grove Crossroads.
- Confirm that your order total is \$200.00 or more; required for all delivery orders.
- You can use page 2 of this packet to help organize the totals for each item that you need. Please submit only **ONE** order. We will not accommodate individual teacher/staff orders. Submit the order online at www.cfaugc.com/teacherlunch at least 36 hours prior to the delivery date and time. You may scan the QR Code below to visit the page directly. If additional assistance is needed, Denee Ferrell - Community Care Coordinator, will be happy to assist you. Marketing@cfaugc.com | 404-663-4341

- Chick-fil-A Union Grove Crossroads will not be responsible for packaging individual meals. It is up to the teacher/staff lunch coordinator to organize each order accordingly.
- To achieve order accuracy, we ask that the teacher/staff lunch coordinator be firm with the deadline. Any additional meals requested after the order form is submitted will be considered a separate order. The separate order will need to meet the \$200.00 delivery minimum.
- We happily offer a complimentary lunch to the teacher/staff lunch coordinator. To qualify, we ask that the coordinator follow the above instructions. Please indicate the type of meal that should be marked as complimentary.
